

"Medicare Advantage"

I'm Attorney General Dustin McDaniel with an important message for Arkansas Seniors.

Private insurance companies may now sell a policy called "Medicare Advantage." The policy is legal, but it is not traditional Medicare.

Many have been victimized by the high-pressure sales tactics of some of these companies. So, before buying a policy, talk to someone you trust.

Your Attorney General's Office is here to help. Contact me, or the Arkansas Insurance Commissioner at the numbers on your screen. (1-800-482-8982 or 1-800-224-6330)
