

"Welcome"

This is Dustin McDaniel. As your Attorney General, part of my job is to enforce laws that help protect you and your family.

It's a job we can do together. How? By becoming a little more "street smart."

Being street smart means understanding Internet safety, protecting your identity, recognizing scams and fighting meth!

For more information, go to BeStreetSmart.org, or call the numbers on your screen. (1-800-482-8982)

Let's get street smart, to be street smart!
